DEFY kicks off the calendar year 2024 with DEFY Seven on Friday, Feb. 9. Fans can expect an action-packed card featuring championship bouts, rivalry matchups, and the annual DEFY TO SURVIVE match, this time with a special twist! Don't forget you can re-live the action when you watch the online streaming replay **FOR FREE** exclusively on **WREMIX.TV**.

THE CAMPAIGN HITS THE EMERALD CITY

In a special feature attraction match, the World Tour Campaign trail leads **MUSTAFA ALI** to Seattle to face "THE SINNER" **JUDAS ICARUS** of **SOVEREIGN**. Two high-octane, chip-on-their-shoulder wrestlers clash in match that could have the wrestling world buzzing.

DEFY TO SURVIVE LUCKY 7 MATCH

In the event's namesake match, two teams of three wrestlers (selected via blind draw) battle until the last two competitors remain standing. Only then, a mystery "Lucky Number 7" joins them in a "Three-Way Dance" to determine the **DEFY PRIMOLUCHA INTERNATIONAL CHAMPION!** This puts current champ **CODY CHHUN** in a precarious position; he could lose the title without being involved in the result. In addition, match entrants include Cody's close friend and frequent tag team partner **GUILLERMO ROSAS**, **BIG DAMO**, The Midnight Heat's **RICKY GIBSON**, and more.

MATTHEWS FINALLY GETS SINGLES MATCH WITH VERT VIXEN

The very-first DEFY Women's World Champion **VERT VIXEN** defends the title for the 15th time in a singles match against the always crafty and often underhanded **NICOLE MATTHEWS**. The challenger has been chasing the champ for close to a year, and nearly nabbed the gold in several multi-woman matches.

THE BOLLYWOOD BOYS DEFEND TAG TEAM GOLD VS SOVEREIGN

Now in their second reign as DEFY Worldwide Tag Team Champions, the **BOLLYWOOD BOYS** defend the gold against **EVAN RIVERS** and **TRAVIS WILLIAMS**. Along with **JUDAS ICARUS**, and under the guidance of **CHRISTOPHER DANIELS**, **SOVEREIGN** has targeted the entire DEFY roster. Can they find a way to out-smart **HARV** and **GURV SIHRA**, who have held the belts since last June?

▶ ID YOU KNOW?

- Shane Strickland carried the DEFY WORLD TITLE a total of 558 days over three separate championship reigns.
- DEFY'S first event, LEGACY, was held Jan. 13, 2017, with Cody Rhodes defeating Shane Strickland in the main event.

CURRY MAN VS. DANIELS; SOVEREIGN CHAINED OUTSIDE THE RING!

Former DEFY World Champion **RANDY MYERS** was forced out of DEFY thanks the machinations of **CHRISTOPHER DANIELS** and non-stop interference by **SOVEREIGN**. Tonight, if **CURRY MAN** beats **DANIELS**, the door is open for **MYERS'** return! **SOVEREIGN** won't be able to interfere on **DANIELS'** behalf, because they will be chained outside the ring!

MORE EXCITING IN-RING ACTION

Also scheduled to compete tonight... **GRINGO LOCO** battles **LINCE DORADO** in what is sure to be a fast-paced, high-energy Lucha Libre style match... "**ACE**" **ARTEMIS SPENCER** once again puts his physical well-being at stake in a **SEATTLE STREET FIGHT** against "**DEATH MACHINE**" **SAMI CALLIHAN**.
